

Courtsiders' Support

Your membership in Courtsiders and your participation in fundraising events makes a difference. The Illini Courtsiders have been able to provide the tools the team needs to be successful on the court. Here are just a few of the items your generous support funded.

- Weight room remodel \$50,000
The current space with new flooring, equipment and graphic. Courtsiders shared the cost with the Rebounders, the Men's Basketball support group.
- Locker room remodel \$43,000
Upgrades to this space not only benefit current players, but also help with recruiting. The custom-designed player lockers provide more space and functionality along with a cutting-edge design.
- VersaClimber \$12,370
This piece of training equipment is designed to provide a true total body, non-impact, cardio workout for superior fat and calorie burning.

- Two shooting basketball guns \$9694
This technology allows the players to practice shooting repetition at anytime, because a rebounder isn't necessary.
- Team time-out stools \$830
These stools used both at home and away contests for timeouts during games.
- Locker room sound system \$2115
An upgraded audio system for locker room and player lounge along with bluetooth connectivity. This system provides a little fun and aids in maintaining focus pre-game.
- Video Camera and Equipment \$3,500
This upgraded system is used for filming practices and games allowing the coaches and players better quality video for use in player and team development.

Illini Courtsiders!

Illini Courtsiders is the official support group for Women's Basketball at the University of Illinois. We provide vocal, volunteer and financial support — under NCAA guidelines — to enhance the program. Your membership keeps you involved. You will receive game highlights and updates about the program via email. We hope that in addition to joining our group that you also come to all the home games. Having active fans is one of the most important things we can provide the team!

Based on your contribution level you will also get additional opportunities to interact with the team. We will keep you up-to-date on all important dates too so you can attend other events and your membership entitles you to special pricing for public events.

Engraved Name Badges

Non-engraved badges are provided with your initial membership. Badges engraved with an individual name can be purchased for an additional \$10.00 per badge. A badge issued in a previous year will become valid with your 2018-19 membership renewal. A sticker will be issued for those renewals. Check the box next to each name listed if you would like to order an engraved badge for that member.
