

COURTSIDERS' SUPPORT

Your Illini Courtsiders membership and participation in fundraising events makes a major difference in providing Fighting Illini women's basketball student-athletes with the best collegiate experience possible. The Courtsiders are proud to provide the tools that our team needs to be successful on the court. Below are just a few of the items that your generous support has funded:

Golf Cart **\$27,000**

Illinois "decked-out" golf cart will be used for recruiting visits and other needs on campus. It will allow those riding to be identified as members or potential student-athletes for the women's basketball program.

PlaySight Camera System **\$24,000**

A smart sports technology camera system for the Ubben Basketball Complex that provides the ability to record practices and drills based on movement on the court without the need for a camera operator. Review of the film assists with player development, analysis, and tracking. Coupled with ShotTracker, this provides important feedback to improve performance.

ShotTracker Technology **\$22,500**

An important upgrade to the practice gym at the Ubben Basketball Complex, this technology allows student-athletes to receive personalized shooting data from every practice session or individual workout.

Two Basketball Shooting Guns **\$9,694**

This technology allows the student-athletes to practice shooting repetition at any time, because a rebounder isn't necessary.

Locker Room Sound System **\$2,115**

An upgraded audio system for the locker room and player lounge that uses Bluetooth connectivity. This system enhances the pregame atmosphere, helping players to maintain focus as they prepare for each opponent.

Team Lounge Gaming Equipment **\$1,100**

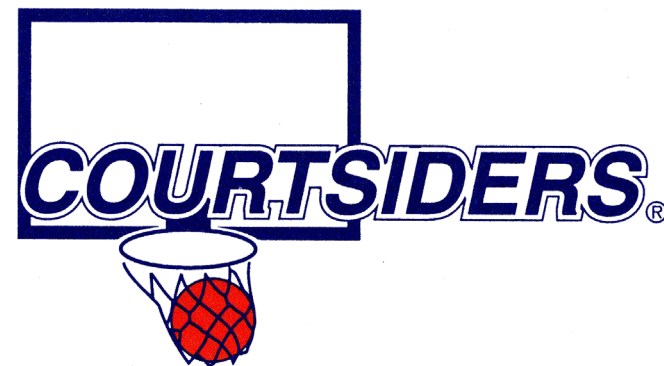

Student-athletes spend so much of their time at the Ubben Basketball Complex, so this equipment helps make the space feel like home while providing a much-needed escape from the demands of their studies and training.

Motivational Signage **\$1,430**

Banners hung in the Ubben Basketball Complex to emphasize key words, chosen by the team, that help them to remain focused and motivated during the daily practice and workout process.

Team Timeout Stools **\$830**

These stools are used by the team during in-game huddles both at home and on the road.

2020-21 MEMBERSHIP APPLICATION

ILLINI COURTSIDERS

Illini Courtsiders is the official support group for University of Illinois Fighting Illini women's basketball program. We provide vocal, volunteer and financial support — under NCAA guidelines — to enhance the program and provide Illini student-athletes with the best collegiate experience possible.

Your membership keeps you involved and provides you with great perks. All members receive game highlights and program updates via email. We hope that in addition to joining our group, you also attend all the home games. Having active and engaged fans is one of the most important advantages that we can provide the team!

Based on contribution level, you will also have opportunities to interact with the team at special events throughout the year. We will keep you informed of these important dates, and you will receive special members-only pricing.

Engraved Name Badges

Non-engraved name badges are provided with your initial membership and an upgrade to engraved name badges is available for purchase for \$10.00 per badge. Badges issued in a previous year are valid with your 2020-21 membership renewal; A sticker will be issued for those renewals. Please check the box next to each name listed on your membership application if you would like to order an engraved name badge for that member.

Above and Beyond Contribution

With your generous support we intend to help this team grow into one of the top programs in the country. To do that, we need to bring in tools to hone our skills, make us top recruiters, and give us the edge over other programs. This includes things like specific rehabilitation equipment to help our team come back from injury and conditioning equipment to keep them at peak performance level.

I would like to provide additional support to the team with my additional donation of:

\$100 \$250 \$500 Other \$ _____

*Membership levels over \$50 and additional donations are tax deductible as the law allows.
