

COURTSIDERS' SUPPORT

Your Illini Courtsiders membership and participation in fundraising events makes a major difference in providing Fighting Illini women's basketball student-athletes with the best collegiate experience possible. The Courtsiders are proud to provide the tools that our team needs to be successful on the court. Below are just a few of the items that your generous support has funded:

Golf Cart **\$27,000**

Illinois "decked-out" golf cart to be used for recruiting visits and other needs on campus. It will allow those riding to be identified as members or potential student-athletes for the women's basketball program.

PlaySight Camera System **\$24,000**

A smart sports technology camera system for Ubben that provides the ability to tape practices and drills based on movement on the court without the need for a camera operator. Review of the film assists with player development, analysis, and tracking. Coupled with ShotTracker, feedback can be used to improve performance.

ShotTracker Technology **\$22,500**

This technology allows student-athletes to receive personalized shooting data from every team practice session or individual workout.

Two Basketball Shooting Guns **\$9,694**

This technology allows the student-athletes to practice shooting repetition at any time, because a rebounder isn't necessary.

Team Thanksgiving Dinner **\$3,242**

Meal provided for team, staff and their families at the Daytona tournament.

Three Norma Tec Leg Compression Boots **\$2,487**

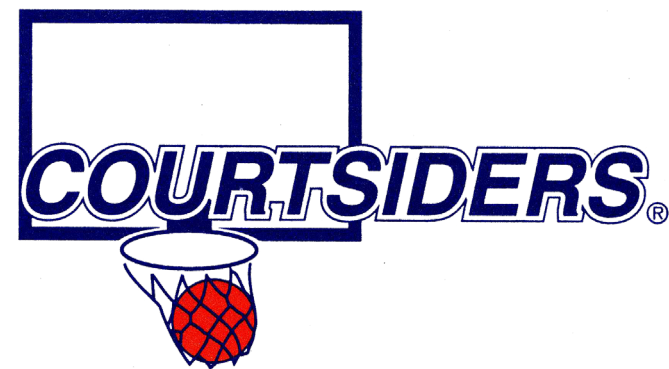

Drastically improves circulation and prevents leg swelling after strenuous exercise to increase performance and recovery for the athletes.

Athlete Recovery **\$2,437**

Post-game and practice massages and the purchase of two more Hypervolt massage guns and two more Venom compression boots.

Two Bag Food Warmers **\$620**

The bags are used to keep meals warm when the team travels.

BASKETBALL

ILLINI COURTSIDERS

Illini Courtsiders is the official support group for University of Illinois Fighting Illini women's basketball program. We provide vocal, volunteer, and financial support — under NCAA guidelines — to enhance the program and provide Illini student-athletes with the best collegiate experience possible.

Your membership keeps you involved and provides you with great perks. All members receive game highlights and program updates via email. We hope that in addition to joining our group, you also attend all the home games. Having active and engaged fans is one of the most important advantages that we can provide the team!

Based on contribution level, you will also have opportunities to interact with the team at special events throughout the year. We will keep you informed of these important dates, and you will receive special members-only pricing.
